COMFORT STYLE S: \$115 M: \$130 L: \$170 XL: \$200

The Comfort Clip is our most practical and carefree style, perfect for pups who love to stay active or prefer ease over high maintenance. The coat is clipped short for a tidy, low-fuss finish that keeps your companion cool, comfortable, and mat-free. This kind and versatile option is ideal for dogs prone to tangles, those with sensitive health needs, or simply for owners who value effortless style and everyday comfort. To keep this style neat and manageable, we recommend appointments every 6-8 weeks.

HALF STYLE S: \$132 M: \$150 L: \$192 XL: \$242

120+ Mins

Affectionately known as the 'Teddy Bear' clip, this refined in-between style blends elegance with ease. The coat is smoothly clip through the body for comfort and manageability, while the legs and face are delicately hand-shaped and bevelled with scissors to create a plush, rounded silhouette. Designed to keep your companion looking stylish, and irresistibly cute for 4-6 weeks.

FULL STYLE S: \$147 M: \$162 L: \$245 XL: \$285

130+ Mins

Indulge your fluffy companion with a beautifully hand scissored, signature long-style groom by our senior stylist. This Elegant finish requires a well-maintained, knot free coat, along with daily combing at home and regular salon visits every 1-4 weeks to preserve the coats health and stunning shape.

PUPPY'S FIRST GROOM

60+ Mins

This gentle introduction is designed to build confidence and comfort from the very beginning. We recommend starting as early as 14 weeks to establish positive associations and set the foundation for a lifetime of happy, stress-free grooming experiences. Each session is tailored to your puppy's tolerance, with the aim of keeping the experience calm and reassuring while gradually introducing bathing, brushing, nail care, and light trimming. Follow up visits are recommended 1-4 weekly until your pup is ready for a full grooming routine.

SHED-LESS

S: \$85 M: \$110 L: \$170 XL: \$230

+ \$30 FOR TRIM & TIDY

100+ Mins

Our Shed-less Deshedding Treatment is a premium grooming experience designed to reduce loose hair and restore your dog's coat to its healthiest, most vibrant state. The service begins with a de-shedding shampoo and deep conditioning treatment to loosen the undercoat, followed by high-velocity blow drying and the use of specialised tools to rake out remaining loose hair. The treatment is finished with light trimming for a neat, polished look. To minimise shedding around your home, it is recommended to schedule treatments every 21-28 days, which aligns with the typical coat cycle of Nordic and medium coated breeds such as Retrievers, though intervals of up to 6-8 weekly are possible depending on coat condition.
